September 4, 2020

To Our Residents' Family Members:

There are no cases of COVID-19 in the building to report this week. St. Joseph's current COVID-19 numbers remain at zero! We are monitoring residents and staff daily. Staff continue to be tested for COVID-19 weekly.

We are working with our website designer to have our COVID-19 page in full working order soon. Please keep an eye on our website for new changes and information. We are sharing videos of our residents participating in daily activities on Facebook and our website. If you would enjoy these videos, feel free to search St. Joseph's Senior Home on Facebook for a glimpse at your loved one's day.

As always, we are offering phone calls, FaceTime calls, window visits, and outdoor visits. We will let you know of any visitation changes as they occur. There have been many questions about outdoor visitation as the colder weather is approaching, but at this time, we do not yet have those policies and regulations from the NJ Department of Health.

We will continue to provide you with the most updated information as it is available to us. Please call our center at 732-750-0077 with any questions or concerns about your loved one. We remain united in prayer.

Blessings,

Sr. Elzbieta Lopatka, LNHA
