To Our Residents' Family Members:

We are happy to share, once again, that our current COVID-19 cases remain at zero for both residents and staff. Residents are monitored daily for symptoms, and staff are tested for the virus weekly. All are doing their best to adjust to this new "normal" way of life and holding onto hope that we will see only positive changes moving forward.

If you have explored our website recently, you will have seen a COVID-19 tab has been added. It is still a work in progress but should be fully functioning very soon.

We will continue to provide you with the most updated information as it is available to us. Please call our center at 732-750-0077 with any questions or concerns about your loved one. We remain united in prayer.

Blessings,

Sr. Elzbieta Lopatka, LNHA
