September 25, 2020

To Our Residents' Family Members:

This week, our residents and staff remain negative for COVID-19. Residents continue to be monitored for signs and symptoms of the virus, and staff are still tested weekly. Staff are also receiving continued training on infection prevention procedures and precautions. Health and safety remain our top priority.

The additional page on our website for COVID-19 information is almost ready! We are hoping to have it completed within the next week.

We will continue to provide you with the most updated information as it is available to us. Please call our center at 732-750-0077 with any questions or concerns about your loved one. We remain united in prayer.

Blessings,

Sr. Elzbieta Lopatka, LNHA
