To Our Residents' Family Members:

Once again, no news is good news! All of our residents and staff are negative for COVID-19. Residents are monitored daily for signs and symptoms, and staff are tested weekly for the virus. We are hopeful that all of the precautions we are taking will prevent the spread of COVID-19 and that we will be able to resume our previous sense of "normalcy".

We are still working to complete the COVID-19 page of our website. We apologize for the delays, but we expect that it will be fully operational soon.

We will continue to provide you with the most updated information as it is available to us. Please call our center at 732-750-0077 with any questions or concerns about your loved one. We remain united in prayer.

Blessings,

Sr. Elzbieta Lopatka, LNHA
