October 28, 2020

To Our Residents' Family Members:

As promised, we want to keep you up to date on our COVID-19 status. We have been testing staff weekly, and unfortunately, a non-direct care staff member from assisted living did test positive for COVID-19.

As a preventative measure, the nursing home is quarantining for two weeks along with the assisted living facility. We will be testing all residents and retesting staff. There will be no visitation for at least two weeks, and all residents will be kept in their rooms.

Our Outbreak Plan is available for your review on our website. We will notify you of any changes as they occur.

We will continue to provide you with the most updated information as it is available to us. Please call our center at 732-750-0077 with any questions or concerns about your loved one. We remain united in prayer.

Blessings,

Sr. Elzbieta Lopatka, LNHA
