November 6, 2020

To Our Residents' Family Members:

We tested all residents and retested all staff, and everyone has tested negative for COVID-19. We are relieved to report that all are healthy. Residents continue to be monitored daily for signs and symptoms, and staff are tested weekly.

Window visitation will resume today, November 6, and outdoor visitation will be available again beginning Tuesday, November 10. Activities and dining in small groups with social distancing will restart next week as well. We are working to develop an indoor visitation policy that is safe and effective.

We will continue to provide you with the most updated information as it is available to us. Please call our center at 732-750-0077 with any questions or concerns about your loved one. We remain united in prayer.

Blessings,

Sr. Elzbieta Lopatka, LNHA
